Burlington County Tennis Association

Burlington Township Tennis Lessons

Work on stroke, strategy and fitness!

Introduction to Tennis!

An introduction to tennis with a focus on developing hand-eye coordination and key athletic skills such as agility, balance, and overall coordination. Students will learn the proper grip for each stroke, correct swing paths for all strokes, and build a strong technical foundation. The class will also cover serving and volleying using the Continental grip.

Cost per Class (5-Week Session)

- **Juniors:** $100
