ABOUT US

Founded by Debbie and Isiah "Ike" Johnson in 1997. Located in Mt. Laurel, NJ. BCTA has quickly earned a reputation for promoting diversity in the sport by encouraging children and adults of all ethnic backgrounds to play tennis through a broad spectrum of educational and outreach programs.

BCTA works with recreation departments, indoor racquet clubs, and school and community-based organizations to promote tennis by providing free clinics, seminars and in-school assemblies. Over the many years the number of participants has already risen to well over 2,000. With this record of success, The Burlington County Tennis Association has been the recipient of many awards over the years, including the District and Sectional 1999 "Organization of the Year (Non-Profit)" award and Ike Johnson, USTA - NJ District Pro of the Year 2011, 2015 - Middle States Premier Provider - CTA, just to name a few.

In addition to offering the full array of USTA programs, BCTA has partnered with the local VFW-American Legion to provide free-lesson workshops for children at risk. Ike Johnson, over 30-year tennis instructor and BCTA's Executive Director, has enabled the association to expand its curriculum by successfully encouraging local businesses to sponsor tennis programs and persuading sporting goods stores to donate equipment.

BCTA will be participating in the racquet-testing process by working with Medford Leas, a senior citizen's adult community, and the Burlington County Junior Traveling Tennis Team.

A MESSAGE FROM IKE & DEBBIE

When things go wrong, as they sometimes do,
And the path you're walking feels steep for you,
When funds are low and the bills pile high, And
you long to laugh, but can only sigh, When
burdens weigh heavy, and hope feels dim—Rest if
you need, but don't give in.

Life's full of twists we can't foresee, As we all
learn eventually, Many give up just a step too
soon, When the finish line hides beyond the
gloom. So keep going, even when progress is
slow—Success often waits just one more blow.

Failure's just success wrapped in disguise, The
silver lining in cloudy skies. You're closer than you
might ever know—Hope could be near, though it
feels far to go. So fight on hard when you're
feeling hit—It's darkest before the light is lit. —

YOU MUST NOT QUIT!
